

Join us and connect with like-minded researchers!

Don't miss out — register for our hands-on workshop!

When: Wednesday May 21, 2025

Time: 14:30 – 15:30

**Address: TUL, Building E1,
Studentská 1402, Liberec 1, 461 17**

As part of the CSMS conference Microscopy 2025, we are excited to invite you to a special site event hosted at the Technical University of Liberec — an engaging, hands-on workshop where innovation meets real-world application.

This workshop offers a rare opportunity to go beyond the presentations and get involved — experiment, explore, and engage with the latest in materials science.

Join us and connect with like-minded researchers!

Don't miss out — register for hands-on workshop! (capacity 16 people)

High-resolution analytical SEM - TESCAN MIRA - EBSD weld showcase
Analytical SEM - TESCAN VEGA - waste from carbon composite processing

Spots are limited, so secure yours today and dive deeper into the tools and ideas shaping the future.

We look forward to welcoming you in Liberec!
